Please be aware:

The following information is for guidance purposes only and any decision you reach must have evidence to support it.

- FULLY maps then it is shaded GREEN, with cross-reference mapping.
- PARTIALLY then it is shaded AMBER, with cross-reference mapping (partial mapping could be as little as 1% and as much as 99%)
- DOES NOT MATCH then it is shaded RED with cross-reference mapping.

City & Guilds Level 2 Diploma in Bench Joinery

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 301: Understanding Construction practices in Wales	1. Know the trade bodies and organisations within the construction sector	Amber
	2. Understand connected practice in the construction industry	Red
	3. Know the changes in construction pressures and materials over time	Red
	4. Know the changes in construction methods over time	Red
	5. Understand the relationship between trades and the environment	Amber
Unit 302: Working in The Construction sector in Wales	1. Understand the built environment in Wales	Red
	2. Understand how to work effectively with others	Amber
Unit 303: Planning and Evaluating Work in the construction sector in Wales	1. Plan the work required to complete the task(s)	Red
	2. Evaluate the work completed against the task brief and success criteria	Red
Unit 304: Conform to General Health workplace health, safety and welfare	1. Understand workplace health, safety and welfare 1.1 What and why health, safety and welfare legislation is relevant to the occupational area 1.2 What health, safety and welfare legislation notices and warning signs are relevant to the occupational area and associated equipment 1.3 How to comply with control measures identified by risk assessments and safe systems of work 1.4 Why, when and how health and safety control equipment should be used.	Green

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
	2. Understand how to recognise hazards 2.1 The hazards associated with the work environment 2.2 How changing circumstances can create hazards 2.3 The method of reporting hazards in the workplace	Green
	3. Understand organisational policies and procedures 3.1 What the organisational policies and procedures are for health, safety and welfare 3.2 How to take active responsibility for health, safety and welfare 3.3 How individual actions and behaviour may affect others 3.4 What the types of fire extinguishers are and how and when they are used	Green
	4. Understand how to implement security arrangements 4.1 How security arrangements are implemented in the workplace	Amber

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
	<p>5. Accept responsibility for, and comply with, organisational policies and procedures in order to contribute to health, safety and welfare</p> <p>5.1 Show personal behaviour which demonstrates active responsibility for general workplace health, safety and welfare</p> <p>5.2 Comply with organisational policies and procedures relating to the following:</p> <ul style="list-style-type: none"> • consideration of others • interpretation of given instructions to maintain safe systems of work • contributing to discussions (offer and provide feedback) • maintaining quality working practices • contributing to the maintenance of workplace welfare facilities • storage and use of equipment provided to keep people safe • disposal of waste and/or consumable items 	
	<p>6. Comply with and support all organisational security arrangements and approved procedures</p> <p>6.1 In accordance with organisational requirements with regard to:</p> <ul style="list-style-type: none"> • dealing with accidents and emergencies associated with the type of work being undertaken and the work environment • methods of receiving or sourcing information • reporting • stopping work • evacuation • fire risks and safe exit procedures • consultation and feedback 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 305 Conform to productive working practices	1. Understand how to communicate with others	Green
	2. Understand how to follow procedures	Amber
	2.1 how organisational procedures are applied to plan and carry out productive work	Amber
	2.2 how to maintain documentation in accordance with organisational procedures	Amber
	2.3 how to contribute to zero/low carbon outcomes in the built environment	Amber
	3. Understand how to maintain good work relationships	Amber
Unit 306 Move Handle or Store resources	1. Understand how to interpret information	Green
	2. Understand safe work practices	Amber
	3. Understand resource selection	Amber
	4. Understand how to minimise the risk of damage	Amber
	5. Understand how to comply with occupational resource information	Amber
	6. Understand how to work to deadlines	Amber

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 207 Architectural Joinery core knowledge	1. Understand how to interpret and maintain information	Green
	2. Understand safe work practices	Amber
	3. Understand how to minimise the risk of damage	Amber
	4. Understand working to deadlines	Amber
Unit 208 Produce setting out details for routine products	1. Understand resource selection	Green
	2. Understand working to a contract specification	Amber
	3. Comply with the given contract information to carry out the work efficiently to the required specification. 3.1 Demonstrate work skills to measure, mark out and draw 3.2 Use and maintain hand and power tools to produce setting out details and cutting lists for routine products to given working instructions for at least two from the following: <ul style="list-style-type: none"> • doors • windows with opening lights • units and/or fitments (panelling or cladding) • staircases (straight) 	Amber

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 209 Mark out from setting out details for routine products	1. Understand resource selection	Green
	2. Understand working to a contract specification	Amber
	3. Comply with the given contract information to carry out the work efficiently to the required specification.	Amber
	3.1 Demonstrate work skills to measure, mark out and draw	
3.2 Use and maintain hand and power tools to produce setting out details and cutting lists for routine products to given working instructions for at least two from the following: <ul style="list-style-type: none"> • doors • windows with opening lights • units and/or fitments (panelling or cladding) • staircases (straight) 		

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 210 Manufacture routine products	1. Understand resource selection	Green
	2. Understand working to a contract specification	Amber
	3 Comply with the given contract information to carry out the work safely and efficiently to the required specification	Amber
	3.1 Demonstrate work skills to measure, mark out, fit, finish, position and secure City & Guilds Construction (Level 3) - Architectural Joinery Qualification Handbook 81	
3.2 Use and maintain hand and power tools to fit and assemble routine manufactured products to given working instructions, at least two items from the following: <ul style="list-style-type: none"> • doors • windows with opening lights • units and/or fittings • panelling and cladding • staircases (straight) 		

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 334 Set up and use transportable cutting and shaping machines	1. Understand resource selection	
	2. Understand working to a contract specification	
	<p>3.2 Set up, use, and maintain power tools including using at least three of the following cutting machines to given working instructions:</p> <ul style="list-style-type: none"> • saw (at least three from the following: circular, chop, mitre, bench or table, jig, reciprocating, oscillating) • drill • planer • biscuit jointer • disc cutter • morticer and set up and use at least two of the following powered shaping machines to given working instructions: • thicknesser • sander (orbital, belt, disc) • router • laminate trimmer 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 311 Manufacture bespoke products	1. Understand resource selection	
	2. Understand working to a contract specification	
	<p>3. Comply with the given contract information to carry out the work safely and efficiently to the required specification</p> <p>3.1 Demonstrate work skills to measure, mark out, manufacture, assemble and finish bespoke joinery products</p> <p>3.2 Use and maintain hand and power tools to fit and assemble to form bespoke manufactured products to given working instruction, at least three items from the following:</p> <ul style="list-style-type: none"> • door sets • doors • windows with opening lights • units and/or fitments • panelling or cladding • joinery products incorporating any of the following: o glass o metal o fabrics o veneers and laminate • staircases (straight and with turns) • handrails and balustrades • joinery products with single curvature features • joinery products with double curvature features 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 312 Set up and use fixed machinery	<p>1. Understand resource selection</p> <hr/> <p>2. Understand working to a contract specification</p> <hr/> <p>3. Comply with the given contract information to carry out the work safely and efficiently to the required specification</p> <p>3.1 Demonstrate work skills to measure, mark out, position, feed, and support materials for fixed machine operations</p> <p>3.2 Use and maintain fixed machinery (within limits of responsibility) and safety aids to set up and operate at least six of the following machines:</p> <ul style="list-style-type: none"> • circular saw (rip, crosscut or dimension saw) • surface planer • thicknesser • bandsaw • morticer • tenoner • spindle moulder • pillar drill • grinder (bench mounted) • sanders (linisher, disc, or thicknessing) • overhead router 	<div style="background-color: red; width: 100%; height: 100%;"></div>

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Bricklaying
Unit 313 Produce setting out details for bespoke products	1. Understand resource selection	
	2. Understand working to a contract specification	
	<p>3. Comply with the given contract information to carry out the work safely and efficiently to the required specification</p> <p>3.1 Demonstrate work skills to measure, mark out and draw</p> <p>3.2 Use and maintain hand marking and testing tools, and power tools to produce setting out details, marking out and cutting lists for bespoke products to given working instructions for at least three items from the following:</p> <ul style="list-style-type: none"> • door sets • doors • windows with opening lights • units and/or fitments • panelling and/or cladding • staircases (straight and with turns) • handrails and balustrading • joinery products incorporating any of the following o glass o metal o fabrics o veneers o laminate • joinery products with single curvature features • joinery products with double curvature features
