### Please be aware:

The following information is for guidance purposes only and any decision you reach must have evidence to support it.

- FULLY maps then it is shaded GREEN, with cross reference mapping
- PARTIALLY then it is shaded AMBER, with cross reference mapping (partial mapping could be as little as 1% and as much as 99%)
- DOES NOT MATCH then it is shaded RED with cross reference mapping.
- One of the six optional units, most common identified will have been covered during their NVQ L2.

Please be reminded this information is for guidance purposes only and any decision you reach must have evidence to support it.

## City & Guilds Level 2 Diploma in Bricklaying

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Roof slating and tiling
<b>Unit 301: Understanding Construction practices in Wales</b>	1. Know the trade bodies and organisations within the construction sector	Amber
	2. Understand connected practice in the construction industry	Red
	3. Know the changes in construction pressures and materials over time	Red
	4. Know the changes in construction methods over time	Red
	5. Understand the relationship between trades and the environment	Amber
<b>Unit 302: Working in The Construction sector in Wales</b>	1. Understand the built environment in Wales	Red
	2. Understand how to work effectively with others	Amber
<b>Unit 303 Planning and Evaluating Work in the construction sector in Wales</b>	1. Plan the work required to complete the task(s)	Red
	2. Evaluate the work completed against the task brief and success criteria	Red
<b>Unit 304: Conform to General Health workplace health, safety and welfare</b>	1. Understand workplace health, safety and welfare 1.1 What and why health, safety and welfare legislation is relevant to the occupational area 1.2 What health, safety and welfare legislation notices and warning signs are relevant to the occupational area and associated equipment 1.3 How to comply with control measures identified by risk assessments and safe systems of work 1.4 Why, when and how health and safety control equipment should be used.	Green

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Roof slating and tiling
	2. Understand how to recognise hazards 2.1 The hazards associated with the work environment 2.2 How changing circumstances can create hazards 2.3 The method of reporting hazards in the workplace	
	3. Understand organisational policies and procedures 3.1 What the organisational policies and procedures are for health, safety and welfare 3.2 How to take active responsibility for health, safety and welfare 3.3 How individual actions and behaviour may affect others 3.4 What the types of fire extinguishers are and how and when they are used	
	4. Understand how to implement security arrangements 4.1 How security arrangements are implemented in the workplace	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Roof slating and tiling
	<p>5. Accept responsibility for, and comply with, organisational policies and procedures in order to contribute to health, safety and welfare</p> <p>5.1 Show personal behaviour which demonstrates active responsibility for general workplace health, safety and welfare</p> <p>5.2 Comply with organisational policies and procedures relating to the following:</p> <ul style="list-style-type: none"> <li>• consideration of others</li> <li>• interpretation of given instructions to maintain safe systems of work</li> <li>• contributing to discussions (offer and provide feedback)</li> <li>• maintaining quality working practices</li> <li>• contributing to the maintenance of workplace welfare facilities</li> <li>• storage and use of equipment provided to keep people safe</li> <li>• disposal of waste and/or consumable items</li> </ul>	
	<p>6. Comply with and support all organisational security arrangements and approved procedures</p> <p>6.1 In accordance with organisational requirements with regard to:</p> <ul style="list-style-type: none"> <li>• dealing with accidents and emergencies associated with the type of work being undertaken and the work environment</li> <li>• methods of receiving or sourcing information</li> <li>• reporting</li> <li>• stopping work</li> <li>• evacuation</li> <li>• fire risks and safe exit procedures</li> <li>• consultation and feedback</li> </ul>	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Roof slating and tiling
<b>Unit 305 Conform to productive working practices</b>	1. Understand how to communicate with others	Green
	2. Understand how to follow procedures	Amber
	2.1 how organisational procedures are applied to plan and carry out productive work	Amber
	2.2 how to maintain documentation in accordance with organisational procedures	Amber
	2.3 how to contribute to zero/low carbon outcomes in the built environment	Amber
	3. Understand how to maintain good work relationships	Green
<b>Unit 306 Move Handle or Store resources</b>	4. Communicate with others	Amber
	5. Follow organisational procedures to plan the sequence of work in order to conform to productive work practices and maintain records	Amber
	6. Maintain good work relationships	Amber
	1. Understand how to interpret information	Amber
	2. Understand safe work practices	Amber
	3. Understand resource selection	Green
	4. Understand how to minimise the risk of damage	Amber
	5. Understand how to comply with occupational resource information	Amber
	6. Understand how to work to deadlines	Amber

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Roof slating and tiling
Unit 235 Roofing core knowledge	1. Understand how to interpret and maintain information	Green
	2. Understand safe work practices	Green
	3. Understand how to minimise the risk of damage	Amber
	4. Understand working to deadlines	Amber
Unit 236 Install underlay, battens and roofing components.	1. Understand resource selection	Green
	2. Understand working to a contract specification	Green
	3. Comply with the given contract information to carry out the work efficiently to the required specification 3.1 PPE requirements, measuring, set out, mark out, position and fixing 3.2 Use and maintain hand and power tools and ancillary equipment to install materials and components. Range: to eaves, verges, hips, ridges, valleys, abutments, openings, penetrations, general areas and vertical surfaces to given working instructions relating to the following; underlay, battens, counter battens, undercloaks, ventilation systems, underlay support trays, fire-breaks 3.3 Set out battens to datum points and gauge. Range: Setting out eave datum, calculation of batten gauge, marking out perpend lines for equal overhangs	Amber
	Unit 237 Install single- lap roof tiles to a variable gauge	1. Understand resource selection
2. Understand working to a contract specification		Green
3. Comply with the given contract information to carry out the work efficiently to the required specification 3.1 Demonstration of work skills to measure 3.2 Use and maintain hand tools, power tools and ancillary equipment to install single-lap roof tiles to a variable gauge and related fittings, fixings and components to given working instructions. Range: to eaves, verges, hips, ridges, valleys, abutments, openings, penetrations, general areas		Amber

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Roof slating and tiling
Unit: 238 Install plain tile roof coverings	1. Understand resource selection	Green
	2. Understand working to a contract specification	Green
	3 Comply with the given contract information to carry out the work safely and efficiently to the required specification 3.1 Demonstration of work skills to measure 3.2 Use and maintain hand tools, power tools and ancillary equipment to install plain roof tiles to a variable gauge and related fittings, fixings and components to given working instructions. Range: new and/or reclaimed materials for roofs with the following: general areas, eaves and top course, abutments, openings (roof lights, windows), dry and/or wet fix verges, ridges, hips and valleys, and vertical surfaces	Amber
Unit 239 install pre-formed weathering flashings to roofs	1. Understand resource selection	Green
	2. Understand working to a contract specification	Green
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification 3.1 Demonstration of work skills. Range: PPE requirements, measuring, set out, mark out, grade, hole, cut, fit, mix, position, secure and finish 3.2 Use and maintain hand tools, power tools and ancillary equipment to install pre-formed lead and/or proprietary flashings to single and double-lap roof coverings to given working instructions relating to the following: chimneys, abutments, soil and/or vent pipes, junction saddles, valleys, openings (roof lights, windows)	Amber

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Roof slating and tiling
<b>Unit 240 Install regular sized natural roof slate to standard roof details.</b>	1. Understand resource selection	Green
	2. Understand working to a contract specification	Green
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification  3.1 Demonstration of work skills. Range: PPE requirements, measuring, set out, mark out, grade, hole, cut, fit, mix, position, secure and finish  3.2 Use and maintain hand tools, power tools and ancillary equipment to install regular sized natural roof slates to battens and/or boards and related fittings, fixings and components to given working instructions, using new and/or reclaimed materials for roofs with the following; general areas, eaves and top course, abutments, openings (roof lights, windows), dry and/or wet fix verges, ridges, hips and valleys	Amber
<b>Unit 241 Strip and reclaim roof coverings</b>	1. Understand resource selection	Green
	2. Understand working to a contract specification	Green
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification  3.1 Demonstration of work skills to use safe access to inspect, remove, reclaim, de-nail, rehole, re-size, clean and sort  3.2 Use and maintain hand tools, portable power tools and ancillary equipment to remove, reclaim and/or dispose of weathering materials and ancillary components to given working instructions, plus at least two of the following; natural slates, plain tiles, singlelap tiles, stone slates	Amber

# Roof Slating and Tiling Level 2 NVQ mapping to Level 3
