<ul style="list-style-type: none">City & Guilds Level 2 Diploma in Site Carpentry 6706-23	<ul style="list-style-type: none">City & Guilds Construction Site Carpentry (Level 3) 8042-14

Please be aware:

The following information is for guidance purposes only and any decision you reach must have evidence to support it.

- FULLY maps then it is shaded GREEN, with cross-reference mapping.
- PARTIALLY then it is shaded AMBER, with cross-reference mapping (partial mapping could be as little as 1% and as much as 99%).
- DOES NOT MATCH then it is shaded RED with cross-reference mapping.

City & Guilds Level 2 Diploma in Site Carpentry

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 301: Understanding Building Services Engineering Practice in Wales	1. Know the trade bodies and organisations within the construction sector	Amber
	2. Understand connected practice in the construction industry	Red
	3. Know the changes in construction pressures and materials over time	Red
	4. Know the changes in construction methods over time	Red
	5. Understand the relationship between trades and the environment	Amber
Unit 302: Working in The Construction sector in Wales	1. Understand the built environment in Wales	Red
	2. Understand how to work effectively with others	Amber
Unit 303 Planning and Evaluating Work in the construction sector in Wales	1. Plan the work required to complete the task(s)	Red
	2. Evaluate the work completed against the task brief and success criteria	Red
Unit 304: Conform to General Health workplace health, safety and welfare	1. Understand workplace health, safety and welfare 1.1 What and why health, safety and welfare legislation is relevant to the occupational area 1.2 What health, safety and welfare legislation notices and warning signs are relevant to the occupational area and associated equipment 1.3 How to comply with control measures identified by risk assessments and safe systems of work 1.4 Why, when and how health and safety control equipment should be used.	Green

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
	2. Understand how to recognise hazards 2.1 The hazards associated with the work environment 2.2 How changing circumstances can create hazards 2.3 The method of reporting hazards in the workplace	
	3. Understand organisational policies and procedures 3.1 What the organisational policies and procedures are for health, safety and welfare 3.2 How to take active responsibility for health, safety and welfare 3.3 How individual actions and behaviour may affect others 3.4 What the types of fire extinguishers are and how and when they are used	
	4. Understand how to implement security arrangements 4.1 How security arrangements are implemented in the workplace	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
	<p>5. Accept responsibility for, and comply with, organisational policies and procedures in order to contribute to health, safety and welfare</p> <p>5.1 Show personal behaviour which demonstrates active responsibility for general workplace health, safety and welfare</p> <p>5.2 Comply with organisational policies and procedures relating to the following;</p> <ul style="list-style-type: none"> • consideration of others, • interpretation of given instructions to maintain safe systems of work • contributing to discussions (offer and provide feedback) • maintaining quality working practices • contributing to the maintenance of workplace welfare facilities • storage and use of equipment provided to keep people safe • disposal of waste and/or consumable items 	
	<p>6. Comply with and support all organisational security arrangements and approved procedures</p> <p>6.1 In accordance with organisational requirements with regard to:</p> <ul style="list-style-type: none"> • dealing with accidents and emergencies associated with the type of work being undertaken and the work environment • methods of receiving or sourcing information • reporting • stopping work • evacuation • fire risks and safe exit procedures • consultation and feedback 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 305 Conform to productive working practices	1. Understand how to communicate with others	Green
	2. Understand how to follow procedures	Amber
	2.1 how organisational procedures are applied to plan and carry out productive work	
	2.2 how to maintain documentation in accordance with organisational procedures	
	2.3 how to contribute to zero/low carbon outcomes in the built environment	
	3. Understand how to maintain good work relationships	Amber
Unit 306 Move Handle or Store resources	4. Communicate with others	Amber
	5. Follow organisational procedures to plan the sequence of work in order to conform to productive work practices and maintain records	Amber
	6. Maintain good work relationships	Amber
	1. Understand how to interpret information	Green
	2. Understand safe work practices	Amber
	3. Understand resource selection	Amber
Unit 306 Move Handle or Store resources	4. Understand how to minimise the risk of damage	Amber
	5. Understand how to comply with occupational resource information	Amber
	6. Understand how to work to deadlines	Amber

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 212 Site Carpentry core knowledge	1. Understand how to interpret and maintain information	Green
	2. Understand safe work practices	Yellow
	3. Understand how to minimise the risk of damage	Yellow
	4. Understand working to deadlines	Yellow
Unit 213 Install first fixing components	1. Understand resource selection	Green
	2. Understand working to a contract specification	Yellow
	3. Comply with the given contract information to carry out the work efficiently to the required specification. 3.1 Demonstrate work skills to measure, mark out, cut, fit, finish, position, and secure materials 3.2 Select, use, and maintain hand and power tools to install at least three of the following to given working instructions: <ul style="list-style-type: none"> • frames (door and/or window) • linings (door and/or hatch) • floor joist coverings (or flat roof decking) • partitions • staircases • roof verge and eaves finishings 	Yellow

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 214 Install second fixing components	<p>1. Understand resource selection</p> <hr/> <p>2. Understand working to a contract specification</p> <hr/> <p>3. Comply with the given contract information to carry out the work safely and efficiently to the required specification</p> <p>3.1 Demonstrate work skills to measure, mark out, cut, fit, finish, position, and secure materials</p> <p>3.2 Select, use, and maintain hand and power tools to install at least five of the following to given working instructions:</p> <ul style="list-style-type: none"> • side hung doors • mouldings (architrave, skirting) • ironmongery • service encasement • prefabricated units or fitments • cladding or panelling • stair components (balustrades, handrails, spindles) 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 215 Erect structural carcassing components	1. Understand resource selection	
	2. Understand working to a contract specification	
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification 3.1 Demonstrate work skills to measure, mark out, cut, fit, finish, position, and secure materials 3.2 Select, use, and maintain hand and power tools to erect at least one of the following to given working instructions <ul style="list-style-type: none"> • inclined roofs with gables • load bearing partitions • joists (ground, upper or flat roof), including coverings (flat roofs, decks, or floors) 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 335 Maintain non-structural carpentry work	1. Understand resource selection	
	2. Understand working to a contract specification	
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification	
	3.1 Demonstrate work skills to measure, mark out, cut, splice, fit, finish, position, and secure materials 3.2 Use and maintain hand and power tools to either repair or replace four of the following: <ul style="list-style-type: none"> • frames • mouldings • doors • windows (including replacement glazing) • door and or window ironmongery • verge and or eaves • sash cords • prime the repair work 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 336 Set up and use transportable cutting and shaping machines	1. Understand resource selection	
	2. Understand working to a contract specification	
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification 3.1 Demonstrate work skills to measure, mark out and secure materials for power tool operations 3.2 Set up, use, and maintain power tools including using at least three of the following powered cutting machines to given working instructions: <ul style="list-style-type: none"> • saw (at least three from the following: circular, chop, mitre, bench or table, jig, reciprocating, oscillating) • drill • planer • biscuit jointer • disc cutter • morticer • and set up and use at least two of the following powered shaping machines to given working instructions: • thicknesser • sander (orbital, belt, disc) • router • laminate trimmer 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 314 Install complex first and second fixing components	1. Understand resource selection	
	2. Understand working to a contract specification	
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification	
	3.1 Demonstrate work skills to measure, mark out, cut, fit, finish, position and secure materials 3.2 Select, use and maintain hand and power tools to install at least two of the following to given working instructions: <ul style="list-style-type: none"> • staircases with turns (at least one from quarter turn, half turn, kite winder) • complex mouldings (at least three from curved skirting, dado rail, frieze rail, cornice, corner blocks, plinth blocks) • complex ironmongery (at least two from non-standard hinges, rebated door sets, concealed door closers, surface mounted door closers, emergency exit panic bolts) 	

QW Level 3 Unit number and title	Learning outcome	City & Guilds Level 2 Diploma in Site Carpentry
Unit 315 Erect roof structure carcassing components	1. Understand resource selection	
	2. Understand working to a contract specification	
	3. Comply with the given contract information to carry out the work safely and efficiently to the required specification	
	3.1 Demonstrate work skills to measure, mark out, fit, align, finish, position and secure 3.2 Use and maintain hand tools, portable power tools and ancillary equipment to incorporate at least two of the following to given work instructions on timber frame roofs: <ul style="list-style-type: none"> • hips and/or valleys • roof verge and eaves • parapet finishings • false chimneys • openings (e.g. window, hatches, dormers, roof lights and vents) and determine the specification of cut roof component bevels and lengths 	

Title to go here, please provide - should be consistent with other docs

- FULLY maps then it is shaded GREEN, with cross-reference mapping.
- PARTIALLY then it is shaded AMBER, with cross-reference mapping (partial mapping could be as little as 1% and as much as 99%).
- DOES NOT MATCH then it is shaded RED with cross-reference mapping.
- Three of the six optional units will have been completed during their NVQ level 2.
- There is no mapping for units 301, 302 and 303 as these units are new content and must be delivered.

Site Carpentry Level 3, NVQ Level 2

Level 2 NVQ City & Guilds 6571-21	Level 3 Qualification 8042-14											
	Conform to General workplace, Health and safety and welfare V641/304	Conform to productive practices VR642/305	Move handle and store resources VR 643/306	Site Carpentry Core Knowledge 212	Install first fixing components VR09/213	Install second fixing components VR10/214	Erect structural carcassing components VR11/215	Maintain non-structural carpentry work VR12 /335	Set up and use transportable cutting and shaping machines VR628 /336	Erect roof structure carcassing components VR631/315	Attitudes and behaviours	Optional units: Conserve or restore timber-based products VR553
Unit 102 Conforming to General health, safety and welfare in the workplace	Green	White	White	Yellow	Yellow	Yellow	Yellow	Yellow	Yellow	Red	Red	Red
Unit 219 Conforming to productive working practices in the workplace	White	Green	White	Yellow	Yellow	Yellow	Yellow	Yellow	Yellow	Red	Red	Red
Unit 609 Move handling and storing resources in the workplace	White	White	Green	Yellow	Yellow	Yellow	Yellow	Yellow	Yellow	Red	Red	Red

Level 2 NVQ City & Guilds 6571-21	Level 3 Qualification 8042-14											
	Conform to General workplace, Health and safety and welfare V641/304	Conform to productive practices VR642/305	Move handle and store resources VR 643/306	Site Carpentry Core Knowledge 212	Install first fixing components VR09/213	Install second fixing components VR10/214	Erect structural carcassing components VR11/215	Maintain non-structural carpentry work VR12 /335	Set up and use transportable cutting and shaping machines VR628 /336	Erect roof structure carcassing components VR631/315	Attitudes and behaviours	Optional units: Conserve or restore timber-based products VR553
Optional units 3 of 6 will have been completed at NVQ level 2												
Unit 236 Erecting structural carcassing components in the workplace.							?					
Unit 261 Installing Fire resisting Timber door assemblies and doorsets in the workplace												
Unit 260 Installing First Fixing components in the workplace.					?							
Unit 281 Installing second Fixing components in the workplace.						?						
Unit 299 Maintaining Non-structural Carpentry work in the workplace.								?				
Unit 716 Setting up and using transportable cutting and shaping machines in the workplace									?
