Application for fast track qualification approval

Fast track approval is a streamlined approval process for existing centres. Typically, it is used when

- a qualification is replaced or updated.
- approval for an N/SVQ would automatically entitle the centre to offer the corresponding VRQ.

The qualification(s) listed below indicate those you may currently offer that would now entitle you to fast track approval for the new qualification(s) overleaf.

If you are unsure of your centre's status regarding your eligibility for fast track approval, please contact the Quality Team. Once completed, please send this form to quality@cityandguilds.com

The concepts of retrofitting

There is recognition that every home is different, and that its retrofitting must address all aspects of it and treat the property individually.

Whole-house retrofit will be inclusive of:

- the building's fabric
- the services
- the renewables
- the people who live in it.
